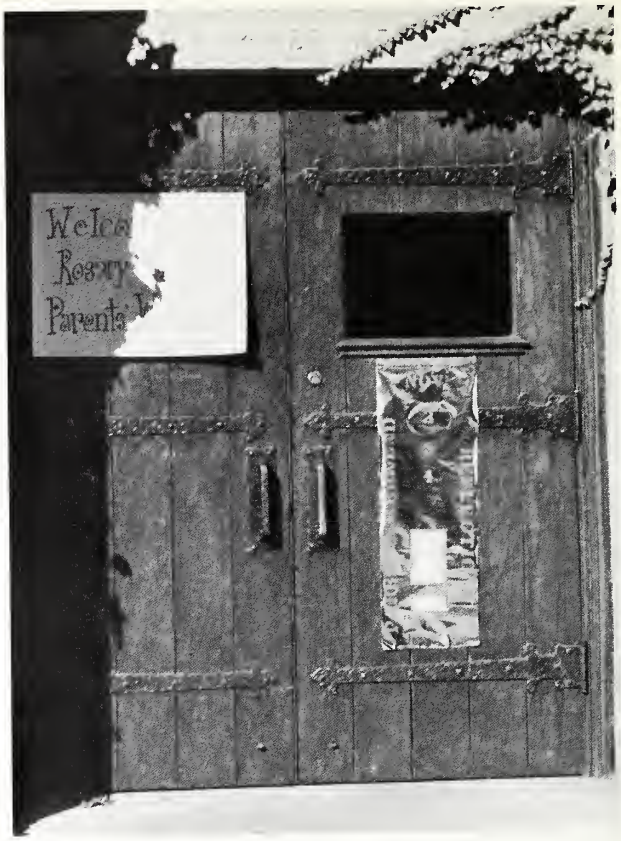
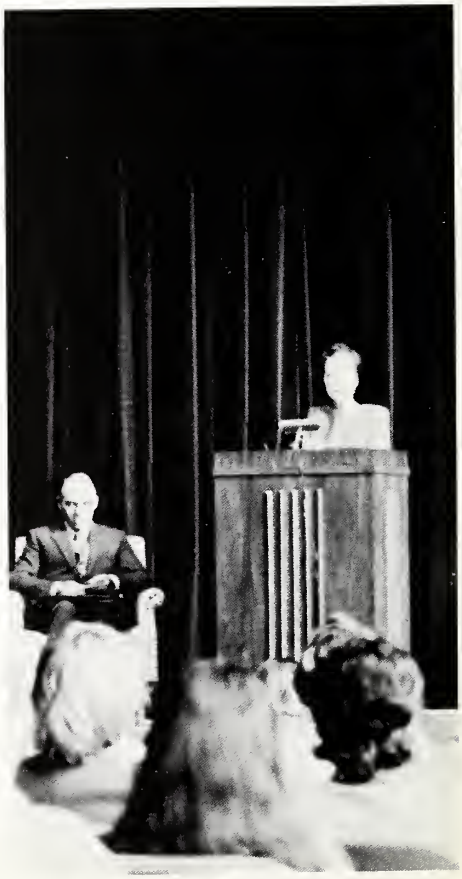
"you shall above all things be glad and young . . . "

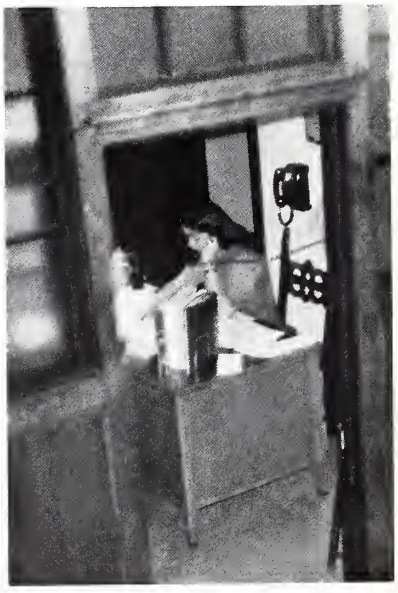




"For if you're young,
whatever life you wear
it will become you."

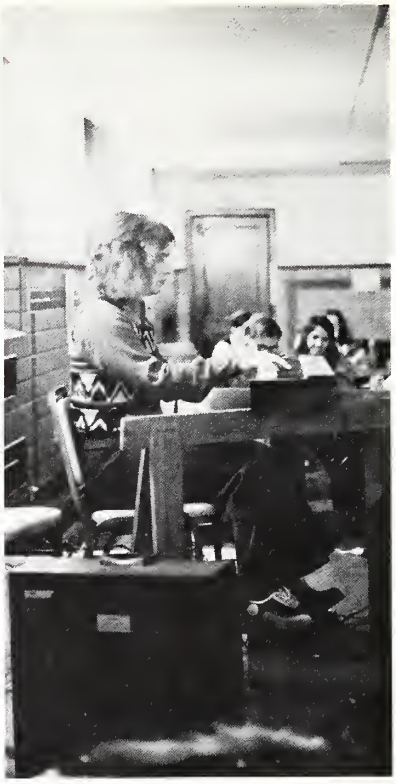
e. e. cummings

"He who lives in harmony with his own self lives in harmony with the universe; for both the universal order and the personal order . . .



. . . are nothing but different expressions and manifestations of a common underlying principle."

Marcus Aurelius



"The great law of culture is:

let each become all that
he was created capable of being:
expand, if possible, to his
full growth; and show
himself at length in his
own shape and stature,
be these what they may."

Thomas Carlyle
